

Andes 3

3" Rugged Receipt Printer ■ ■ ■

features at a glance ■ ■ ■

- **Rugged Design** – The durable Andes 3 has a flame retardant heavy-duty housing that is UV-resistant and comes with side and corner over-molding to withstand multiple drops to 4 feet (1.2 meters).
- **Affordable** – Standard features and accessories included with the Andes 3: RS232, IrDA, USB, Bluetooth, battery, AC adaptor, shoulder strap and a one year warranty.
- **Fast Printing** – All features supported by the Andes 3 are managed by an ARM7™ 32-bit processor ensuring fast print speeds of up to 3" (76mm) per second.
- **User Controlled Memory** – All resident fonts and firmware are integrated into the processor's memory leaving 4MB Flash available to store custom configurations, logos and fonts.
- **Easy to Use** – LED lights provide status for power, communication, battery charging, card reader (optional) and error conditions. With a simple "drop-in" paper load system that allows for quick paper roll replacement, the Andes 3 holds a paper roll of up to 130ft (40m). Transparent door windows let you see when the paper roll is running low.
- **Options** – 802.11b/g and magnetic card reader.
- **Endurance** – A high-capacity Lithium-Ion battery lasts a full shift on a single charge.
- **Flexible** – Supports the printing of custom graphics, logos, fonts, 1D barcodes and 2D symbologies.
- **Charging Options** – Standard: AC adaptor included with printer. Optional: vehicle charger, vehicle mount and external 2-Bay battery charger.

The Datamax-O'Neil Andes 3 printer was designed for the rough and tumble environment of the mobile field worker. Rugged, lightweight and easy to use, the Andes 3 is the perfect choice for companies who need a durable printer at an affordable price.

The Andes 3 is lightweight and compact with all the features and options necessary to keep pace with today's changing requirements in field service, law enforcement, retail, hospitality and route accounting applications. The Andes 3 can be worn comfortably all day with a shoulder strap or swivel belt loop. Its large paper capacity and easy "drop-in" paper loading means less downtime and higher efficiency. The Andes 3 is powered by a high-capacity, long lasting Lithium-Ion battery that lasts through an 8 – 10 hour shift. The ARM7™ 32-bit processor allows receipts to print quickly with ample memory for logos, graphics, fonts and barcodes.

The affordable Andes 3 comes equipped with RS232, IrDA, USB, and Bluetooth as well as a universal AC adaptor, shoulder strap, battery, spare paper roll and includes a one year warranty (including printhead). Options include 802.11b/g, 3-Track magnetic card reader as well as a variety of accessories. With its low price point, the Andes 3 offers the options and features of higher priced products without compromising on quality and strength.

physical characteristic ■ ■ ■

- Dimensions:
 - 6.9" L x 4.8" W x 3.5" H (175 x 123 x 86 mm)
- Weight:
 - Printer with battery: 23 oz (0.779 kg)
 - Printer with battery & paper roll: 33.6 oz (0.953 kg)
- Drop specifications: 4 ft. (1.2 m)

user environment ■ ■ ■

- IP54 (excluding paper roll)
- Operating Temperature:
 - 14° to 122°F (-10° to 50°C)
- Storage temperatures:
 - -4° to 140°F (-20° to 60°C)
- Charging temperatures:
 - 41° to 104°F (5° to 40°C)
- Relative humidity range:
 - 10% RH to 85% RH non-condensing
- ESD Protection:
 - 8kV Air/4kV Contact

print technology ■ ■ ■

- Printhead:
 - Direct Thermal
 - 203 dots per inch (8 dots per mm)
- Print mechanism speed:
 - 3 inches per second (76 mm per second)
- Print width:
 - 2.83" (72 mm)

media ■ ■ ■

- Media Type:
 - Direct thermal receipt paper (standard, premium, heavy duty, long-life, image protect, hi-temp, and all weather)
 - For optimum print quality and printer performance, use Certified Datamax-O'Neil supplies
- Paper Width:
 - 3.09" (78 mm)
- Max Roll Size:
 - 2.20" (55.8 mm) maximum roll O.D.
- Max Media Thickness:
 - 6 mil
- Media I.D. Core:
 - 0.4" (10.16 mm)

communication ■ ■ ■

- Serial:
 - RS232, up to 115.2 kbps
- IrDA:
 - 57.6 kbps
- USB:
 - 2.0 (client)
- Bluetooth:
 - Version 2.0
- 802.11 b/g: (optional)
 - Network standard: IEEE 802.11 b/g
 - Wireless access modes: Infrastructure and ad-hoc
 - Security Protocols:

	WEP	WPA	WPA2
Modes		PSK/Enterprise	
Security/Encryption	64/128	TKIP/RCA	CCMP/AES
Authentication	LEAP		

- Network support: DHCP, TCP, UDP

barcodes/fonts/graphics ■ ■ ■

- Memory:
 - 2MB RAM / 4MB Flash
- Linear: Codes 39, Code128 A/B/C, Interleaved2 of 5, UPC/EAN/JAN and Codabar
- 2D Symbologies: PDF417
- Optional characters: Simplified & Traditional Chinese, Hebrew, Arabic, Polish, Greek, Cyrillic
