KS-7310

Small but Delicate

With integrated design of small footprint and built-in MSR, KS-7310 not only enhances the convenience of cashier's operation but also look neat.

Powerful Performance

KS-7310 may be compact, put it still packs a punch with Intel D525 CPU running at 1.8GHz, which is more than enough to handle any daily operation.

Expandable and Flexible

Connect to a wide range of accessories for greater productivity and flexibility to fit in your store environment.
